

## Crosssection 2011

May 5 – 29 at the Etobicoke Civic Centre Art Gallery

At the opening reception, held the evening of May 5, comments around the room were “Impressive” “one of the best shows ever” and “a great exhibition”.

Ann Jarvis, COAA president, delivered the welcoming remarks and was assisted by Doreen Renner, the show convenor with presenting the awards. All the artists, whose work was carefully juried by Eileen Menzel, were congratulated for participating in such a quality event.

Although Ms.Menzel was unable to be present at the reception, her remarks in the catalogue reflect the general feeling: “ I was very impressed by the talent shown by the Central Ontario Artists Association group members. Clearly the submissions were from artists who take their work seriously and know how to present it for the scrutiny of a jury”.

This organization should be very proud to present such a show.
